

Updated: 4th January, 2009

CURRICULUM VITAE

Name: JAMES STUART LAWSON
Date of Birth: 5th September, 1939
School: Morgan Academy, Dundee, Scotland (1951-1957)
Academic Career:
1961 M.A. (Psychology and Philosophy), University of St. Andrews.
1962 M.A. (2nd Class honours in Psychology and Logic, and Metaphysics), University of St. Andrews.
1965 Ph.D. University of St. Andrews.
1970 Registered Psychologist, Ontario College of Psychologists (Registration number: 671).
1995 Chartered Psychologist, British Psychological Society.

Clinical Practice:

Clinical practice in neuropsychological assessment since 1965.

Scope of practice: neuropsychological assessment of adults; review of neuropsychological and general psychological assessments of adults.

Membership of Professional Societies:

Associate Member of the British Psychological Society.
Corresponding Associate of the Royal College of Psychiatrists.
Fellow of the Canadian Psychological Association.
Fellow of the Royal Society of Medicine.
Member of the Society for Academic Freedom and Scholarship.
Member of the Association for Convulsive Therapy

Appointments:

1962 - 1965 M.R.C. Research Assistant, Royal Dundee Liff Hospital,

Dundee, Scotland.

- 1965 - 1967 Lecturer in Psychology, Department of Psychiatry,
University of St. Andrews.
- 1965 - 1969 Honorary Clinical Psychologist, Professorial Unit,
Royal Dundee Liff Hospital, Dundee.
- 1967 - 1969 Lecturer in Psychology, Department of Psychiatry,
University of Dundee.
- 1969 - 1981 Unit Psychologist, Kingston Psychiatric Hospital,
Kingston, Ontario
- 1969 - 1981 Assistant Professor (adjunct appointment)
Department of Psychology, Queen's University.
- 1977 - 1981 Assistant Professor (adjunct appointment),
Department of Psychiatry, Queen's University.
- 1981 - 1986 Associate Professor (full time appointment)
Department of Psychiatry, Queen's University.
- 1981 - 1987 Associate Professor (cross appointment),
Department of Psychology, Queen's University.
- 1981 - 1992 Honorary Clinical Psychologist,
Kingston Psychiatric Hospital.
- 1986 - 2005 Professor (full time appointment),
Department of Psychiatry, Queen's University.
- 1987 - 2004 Professor (cross appointment),
Department of Psychology, Queen's University.
- 1992 - 2004 Director of Research,
Kingston Psychiatric Hospital
- 2004-present Professor Emeritus and Adjunct-I
Department of Psychiatry, Queen's University

Committees:

- 1977 - 1984 Member, Post-graduate Academic Committee,
Department of Psychiatry, Queen's University.
- 1984 - 1990 Chairman, Post-graduate Academic Committee,
Department of Psychiatry, Queen's University.

1984 - 1988	Member, Promotions and Tenure Committee, Department of Psychiatry, Queen's University.
1985 - 1988	Member, Appointment Committee, Department of Psychiatry, Queen's University.
1986 - 1988	Member, Study Leave Committee, Department of Psychiatry, Queen's University.
1987 - 1990	Member, Resident Assignment Committee, Department of Psychiatry, Queen's University.
1988 - 1990	Chairman, Non-Medical Appointments Committee, Department of Psychiatry, Queen's University.
1988 - 2001	Member, Library Committee, Kingston Psychiatric Hospital (Chairman, 1990 - present)
1991 - 1995	Member, Health Sciences Human Research Ethics Board, Queen's University
1992 - 2003	Chairman, Research Committee, Kingston Psychiatric Hospital
1992 - 2004	Member, Professional Advisory Committee, Kingston Psychiatric Hospital
1992 - 2003	Member, Patient Satisfaction Committee, Kingston Psychiatric Hospital
1993 - 2000	Member, Programme Evaluation Committee, Kingston Psychiatric Hospital
2003 - present	Member, Research Review Committee, Providence Continuing Care Centre.
2003 - present	Member, Research Committee, Department of Psychiatry, Queen's University.

Editorial Board:

Journal of ECT: Member of the editorial board: 2002 - present.

Examining Committees:

External examiner in Psychology, Department of Psychiatry, University
of Edinburgh, 1968.

External examiner, Ontario Board of Examiners in Psychology, 1974.

Research Grants:

- 1974 - 1976 Co-principal investigator, Project No. PR352 (Effects of long-term institutionalization of the aged). Ontario Ministry of Health.
- 1979 - 1988 Co-principal investigator, Project No. MA-7091 (Neuropsychiatric aspects of diabetes mellitus). Medical Research Council.
- 1982 - 1984 Co-principal investigator, Project No. MA-5612 (Studies of rehabilitation and cognitive function- ing in stroke patients). Medical Research Council.
- 1983 - 1988 Co-principal investigator, Project No. Ma-8127 (A study of the therapeutic and cognitive effects of bifrontal, bifronto-temporal and unilateral non- dominant ECT). Medical Research Council.
- 1983 - 1988 Co-principal investigator, Equipment Grant. Project No. OMHF 875/83. Ontario Mental Health Foundation.
- 1991 - 1992 Co-Principal Investigator. A/C No 377-455 (Learning Disabilities) Botterell Foundation, Queen's University.
- 1994 - 1995 Co-Principal Investigator: Quantified EEG in psychiatric patients. QSI Medical Corporation, Toronto and Ontario Technology Fund.
- 1995 - 1997 Co-Principal Investigator: Cytogenetic, Clinical and Molecular Studies in Schizophrenia and Affective Disorders. Canadian Psychiatric Research Foundation.
- 1998 - 2000 Co-Investigator: A Search for Genes Important in Schizophrenia: A Novel Approach. Ontario Mental Health Foundation.
- 2001 - 2002 Co-Investigator: Unravelling the mystery of Autism: From genotyping and phenotyping to prospective identification and prevention.
- 2001 - 2002 Co-Investigator: Genetics of Autism spectrum disorders: Identification and characterisation of genetic subgroups.
- 2002 - 2005 Co-Investigator: rTMS in bipolar disorder: Ontario Mental Health Foundation.
- 2006 - present Co-investigator: Economic dependence in early intervention psychosis: Social Science and Humanities Research Council.

Conference Papers:

Royal Society of Medicine, London, 1964

Classification Society (North American Branch), Chicago, 1972

Society of Biological Psychiatry, Atlanta, 2005

Canadian Psychiatric Association+, Montreal, 2007

Invited Talks:

Electrode Placement in ECT: efficacy and cognitive side effects.
University of Edinburgh, September, 1994.

Electrical dose and seizure threshold: relations to clinical outcome
and cognitive effects in bifrontal, bitemporal and right unilateral
ECT. Annual Meeting of the Association for Convulsive Therapy, New
Orleans, May, 2001.

An inferential model for the analysis of individual QEEG topographic
maps. The Alberta Hospital, Edmonton, March, 2003.
