

ANDRÉE TELLIER, Ph.D., C.Psych.

Current Business Addresses

Neuropsychology Service
Ottawa Hospital, Civic Campus
1053 Carling Ave
Room A601
Ottawa, Ontario
K1Y 4E9
Tel.: (613) 761-4580
E-mail: Atellier@ottawahospital.on.ca

Private Practice
425-325 Dalhousie Street
Ottawa, Ontario
K1N 7G2
Tel: (613) 260-7305
Fax: (613) 523-5103

Bilingual: French & English

EDUCATION

1986-1990

UNIVERSITY OF WINDSOR, Windsor, Ontario

Degree: Doctorate
Area of Study: Human Clinical Neuropsychology
Mentor: Dr. Byron P. Rourke
Dissertation: *Predicting the Psychosocial Outcome of Traumatic Brain Injured Adults*

1984-1986

UNIVERSITY OF WINDSOR, Windsor, Ontario

Degree: Master of Arts
Area of Study: Human Clinical Neuropsychology
Mentor: Dr. Byron P. Rourke
Dissertation: *The Effects of Severe Craniocerebral Trauma on Adjustment Level*

1980-1984

McGILL UNIVERSITY, Montreal, Quebec

Degree: Bachelor of Arts
Area of Study: Psychology
Supervisor: Dr. V. Douglas
Thesis: *Frontal-Lobe Behavioral Model of Childhood Hyperactivity*

PROFESSIONAL EXPERIENCE

July 2001 – June 2008	UNIVERSITY OF OTTAWA, Department of Medicine, Division of Neurology Adjunct Professor
March 2000-Present	PRIVATE PRACTICE IN NEUROPSYCHOLOGY, Ottawa
April 1997-Present	UNIVERSITY OF OTTAWA, Psychology Department Assistant clinical professor
June 1994-Fall 2002	OTTAWA GENERAL HOSPITAL, Ottawa, Ontario Coordinator of the Clinical Neuropsychology Training Program
January 1994-Dec. 2000	CARLETON UNIVERSITY, Psychology Department Adjunct research professor
January 1993-Present	OTTAWA GENERAL HOSPITAL, Ottawa, Ontario Bi-weekly lecturer for the provincial PARTY Program (Prevention Against Alcohol-Related Traumas in Youth)
April 1992- August 1994	OTTAWA GENERAL HOSPITAL, Ottawa, Ontario Director of the Memory Disorder Clinic
January 1997-Present	MINISTRY OF THE ATTORNEY GENERAL, Ontario Capacity Assessor
November 1990-Fall 2002	OTTAWA GENERAL HOSPITAL, Ottawa, Ontario Member of the Internship Training Committee of the Psychology Department
May 1990-Present	OTTAWA GENERAL HOSPITAL, Ottawa, Ontario Psychologist, Clinical Neuropsychology Service
Nov. 1991 - Present	OTTAWA GENERAL HOSPITAL, Ottawa, Ontario Appointment to the Medical Staff (Allied Scientific Research Staff)
January 1989-1995	OTTAWA GENERAL HOSPITAL, Ottawa, Ontario Chair of the Research Committee of the Psychology Department
September 1988- May 1990	OTTAWA GENERAL HOSPITAL, Ottawa, Ontario Neuropsychometrist

September 1987-
September 1988

OTTAWA GENERAL HOSPITAL, Ottawa, Ontario
Internship position in clinical neuropsychology (supervisor: Dr. D.T.
Stuss)

OTHER RELATED PROFESSIONAL ACTIVITIES

- Expert witness in the context of legal proceedings
- Editorial consultation to various neuropsychology journals over the years (Aging and Cognition, Canadian Psychology, Journal of Clinical and Experimental Neuropsychology, The Clinical Neuropsychologist, Canadian Medical Association Journal)
- External examiner for Master's theses; Supervisor of Honours theses
- Member of the Board of Directors of the Alzheimer Society of Ottawa 2001-2006
- Member of the Elder Abuse Consultation Team of the Council on Aging of Ottawa (as of June 2006)

PRESENTATIONS / LECTURES

- June 2008 **Capacity Assessments & Admission to Long-Term Care**
Format: Lecture
Place: Part of the RGAP External Geriatric Assessor
 Training Series given to CCAC managers and
 Emergency personnel, Ottawa.
- June 2008 **Capacity Panel: Financial Capacity and the *Substitute Decisions Act***

- Format: Invited Lecture
Place: Delivered within the context of the 2008 Eastern Ontario Dementia Symposium, Ottawa, Ontario
- May 2008 **Capacity Assessments & Admission to Long-Term Care**
Format: Lecture
Place: Part of the RGAP External Geriatric Assessor Training Series given to CCAC managers, Ottawa.
- April 2008 **Cortical Dementias: Clinical Features & Challenges**
Format: Lecture
Place: City-wide Neuropsychology Seminars, Ottawa Hospital, Ottawa.
- March 2008 **Frontotemporal dementia & Lewy Body Dementia**
Format: Lecture
Place: Third annual conference of the Ottawa Adult Day Programs, Ottawa.
- January 2008 ***Memory and Language: The Neuroanatomical Substrates***
Format: Lectures
Place: Part of the Nervous System Block lecture of the University of Ottawa (School of Medicine), Ottawa.
- Sept. 2007 **Capacity Assessments & Admission to Long-Term Care**
Format: Lecture
Place: Part of the RGAP External Geriatric Assessor Training Series given to CCAC managers, Ottawa.
- June 2007 **Capacity assessment: POA, SDA & MHA**
Format: Lecture
Place: Delivered to the Psychiatry staff at the Ottawa Hospital, Civic Campus
- June 2007 **Capacity and the Law: Balancing welfare & rights**
Format: Invited lecture
Place: Lecture delivered as part of a one-day conference organized by the Response to Elder Abuse, Prevention and Awareness Coalition within the context of the World Elder Abuse Awareness Day, Renfrew, Ontario
- April 2007 **Traumatic Brain Injury: A Neuropsychological Perspective**
Format: Invited lecture

- Place: Canadian Association of Neuroscience Nurses Annual meeting, Ottawa Hospital, Ottawa, Ontario
- Feb. 2007 **Consenting Adults: Capacity and the Health Care Consent Act**
 Format: City wide Medical Grand Rounds
 Place: Ottawa Hospital, General Campus
- January 2007 ***Memory and Language: The Neuroanatomical Substrates***
 Format: Lectures
 Place: Part of the Nervous System Block lecture of the University of Ottawa (School of Medicine), Ottawa.
- Oct. 2006 **Capacity Assessments & Admission to Long-Term Care**
 Format: Lecture
 Place: Part of the RGAP External Geriatric Assessor Training Series, Ottawa.
- Oct. 2006 **Alzheimer Disease: Mission for Memories**
 Format: Emcee and moderator for the evening
 Place: National program intended to increase awareness of Alzheimer Disease. Carleton University, Ottawa, Ontario.
- Oct. 2006 **Cortical Dementias: Clinical Features & Challenges**
 Format: Lecture
 Place: City-wide Neuropsychology Seminars, Ottawa Hospital, Ottawa.
- Sept. 2006 **Various Types of Dementias: Clinical Features & Challenges**
 Format: Lecture
 Place: Delivered as part of an educational series for the volunteer support/group facilitators of the Alzheimer Society of Ottawa, Ottawa, Ontario
- Sept. 2006 **Assessing capacity in the elderly: Where to begin?**
 Format: Lecture
 Place: Delivered as part of a yearly educational series for the Ottawa Hospital Internal Medicine Residency Program, Ottawa, Ontario
- May 2006 **The ins and outs of capacity assessments**
 Format: Workshop
 Place: Delivered as part of an educational series organized by the Alzheimer Society of Ottawa, Ontario

- March 2006 **Assessing capacity in the cognitively impaired: Where to begin?**
Format: Invited Lecture
Place: Delivered within the context of the 2006 Eastern Ontario Dementia Symposium, Ottawa, Ontario
- March 2006 **Assessing different types of capacity: The Health Care Consent Act and Testamentary Capacity**
Format: Lecture
Place: Delivered within the context of the Geriatric Academic Rounds, Ottawa Hospital, Ottawa
- March 2006 **Neuropsychological Testing brought to Life**
Format: Lecture
Place: Delivered to the Ottawa Hospital Neurosurgery Residency Program, Ottawa
- February 2006 ***Capacity Assessments & Admission to Long-Term Care***
Format: Lecture
Place: Part of the RGAP External Geriatric Assessor Training Series, Ottawa.
- January 2006 ***Memory and Language: The Neuroanatomical Substrates***
Format: Lectures
Place: Part of the Nervous System Block lecture of the University of Ottawa (School of Medicine), Ottawa.
- January 2006 **The Neuropsychology of MS**
Format: Lectures
Place: Part of Serono Canada's Fourth Annual National Nurses Meeting, Toronto, Ontario
- November 2005 **Capacity Assessments in Older Adults: Tips & Tangles**
Format: Lecture
Place: Clinical Nursing Seminar on Gerontology, Geriatrics & Cognition, Ottawa Hospital, Ottawa.
- November 2005 **Traumatic Brain Injury, Neuropsychology, & the Adult Brain**
Format: Lecture
Place: City-wide Neuropsychology Seminars, Ottawa Hospital, Ottawa.
- October 2005 **The ins and outs of capacity assessments**
Format: Key note address

- Place: Lecture delivered as part of a two-day conference organized by the Response to Elder Abuse, Prevention and Awareness Coalition, Pembroke, Ontario
- October 2005 **Cognition in MS**
 Format: Lecture
 Place: Part of a four-day MS Preceptorship organized by Serono Symposia International for visiting European neurologists. Ottawa
- June 2005 **Frontotemporal dementia**
 Format: Lecture
 Place: Organized by the Alzheimer Society of Ottawa and intended for family caregivers, Ottawa, Ontario
- March 2005 **Capacity assessments: Not always the answer we had hoped for**
 Format: Workshop
 Place: Delivered as part of an educational series organized by the Alzheimer Society of Ottawa, Ontario
- January 2005 **Behavioural Impact of Traumatic Brain Injury: A Neuropsychological Perspective**
 Format: Lecture
 Place: Annual Trauma day in the advanced clinical nursing program, The Ottawa Hospital, Ottawa, Ontario
- January 2005 ***Memory and Language: The Neuroanatomical Substrates***
 Format: Lectures
 Place: Part of the Nervous System Block lecture of the University of Ottawa (School of Medicine), Ottawa.
- December 2004 ***Memory: Its Neuroanatomical & Neuropsychological Substrates***
 Format: Lecture
 Place: Neurology Residency Program; Ottawa Hospital
- October 2004 **Traumatic brain injury & Neuropsychology: Beyond the emergency room**
 Format: Lecture
 Place: Third annual Eastern Ontario Regional Trauma Conference, Ottawa, Ontario.
- June 2004 **Capacity assessments: Issues and challenges**
 Format: Lecture

- Place: Two-day neuropsychology symposium, University of Windsor, Windsor, Ontario.
- April 2004 **Becoming capable in assessing capacity**
 Format: Lecture
 Place: Neurology grand rounds, Ottawa Hospital, Ottawa.
- April 2004 **Neuropsychological testing : The lobes brought to life**
 Format: Lecture
 Place: Provided as part of the 3rd Annual Educational Day of the Geriatric Psychiatry Community Services of Ottawa, SCO Hospital Elisabeth Bruyère Pavilion, Ottawa.
- April 2004 **Evaluation de la capacité: Le mystère de la bague disparue...**
 Format: Lecture
 Place: Given as part of the learning series organized by the Centre national de formation en santé, Hôpital Montfort, Ottawa.
- March 2004 **What does capacity mean?**
 Format: Lecture
 Place: Workshop given as part of the monthly series organized by the Alzheimer Society of Ottawa, Ottawa.
- January 2004 ***Memory and Language: The Neuroanatomical Substrates***
 Format: Lectures
 Place: Part of the Nervous System Block lecture of the University of Ottawa (School of Medicine), Ottawa.
- January 2004 **Dispelling the Myths about Alzheimer Disease**
 Format: One-hour radio show
 Place: CFRA 580, Sunday night with Rabbi Bulka, Ottawa
- January 2004 **The Myths about Alzheimer Disease**
 Format: TV appearance (TFO, TV Ontario)
 Place: Satellite interview in Ottawa from Toronto
- November 2003 **MS Neuropsychology**
 Format: Lecture
 Place: Part of a four-day MS Symposium organized for a group of visiting Italian neurologists. Ottawa

- September- Dec. 2003 **Neuropsychological Assessment**
Format: Bi-weekly three-hour lectures
Place: Four-month graduate Course, Psychology Department, University of Ottawa, Ottawa, Ontario
- August 2003 **Acting as an expert witness in medical-legal proceedings**
Format: Lecture
Place: Offered to the Ottawa Hospital psychology residents, Ottawa, Ontario
- June 2003 **Frontotemporal dementia**
Format: Lecture
Place: Organized by the Alzheimer Society of Ottawa and intended for family caregivers, Ottawa
- June 2003 **Behavioural Impact of Traumatic Brain Injury**
Format: Lecture
Place: Annual Trauma day in the advanced clinical nursing program, The Ottawa Hospital, Ottawa, Ontario
- May 2003 **Multiple Sclerosis & Cognition: The role of grey matter**
Format: Invited lecture
Place: 17th annual meeting of the Consortium of Multiple Sclerosis Centers, San Diego, California.
- May 2003 **Alzheimer Society of Ottawa First Link Program**
Format: Three lectures on communication strategies, activities of daily living, promoting a safe environment, decision making and respecting individual choices
Place: Delivery of lectures prepared by the First Link Program, a program especially designed to link those newly diagnosed to support, services, and education
- March 2003 **MS Neuropsychology**
Format: Lecture
Place: Part of a two-day MS Symposium organized for a group of neurologists from Germany and Austria. Ottawa
- January 2003 ***Memory and Language: The Neuroanatomical Substrates***
Format: Lectures
Place: Part of the Nervous System Block lecture of the University of Ottawa (School of Medicine), Ottawa.

- November 2002 **Power of Attorney: Capacity Assessment**
Format: Lecture
Place: Delivered in a context of a lecture series organized by
the Alzheimer Society of Ottawa
- May 2002 **Capacity Assessment: The Case of the Missing Diamond Ring**
Format: Lecture
Place: Hospital-wide rounds, The Rehabilitation Center,
Ottawa
- April - May 2002 **Traumatic Brain Injury and Neuropsychology**
Format: Four lectures
Place: Delivered to the Trauma Unit personnel of the Ottawa
Hospital, Ottawa
- March 2002 ***Traumatic Brain Injury, Neuropathological changes, & Cognition***
Format: Lecture
Place: City-wide Neuropsychology Seminars, Ottawa.
- February 2002 **MS Neuropsychology**
Format: Lecture
Place: Part of a two-day MS Symposium organized for a
group of neurologists from Germany. Ottawa
- February 2002 ***The Neuropsychology of Epilepsy***
Format: Lecture
Place: Ottawa Epilepsy League. Ottawa.
- January 2002 ***Memory and Language: The Neuroanatomical Substrates***
Format: Lecture
Place: Part of the Nervous System Block lecture of the
University of Ottawa (School of Medicine), Ottawa.
- January 2002 **Alzheimer Disease**
Format: One-hour radio show
Place: CFRA 580, Sunday night with Rabbi Bulka, Ottawa
- January - April 2002 **Neuropsychological Assessment**
Format: Bi-weekly three-hour lectures
Place: Four-month graduate Course, Psychology
Department, University of Ottawa
- December 2001 **MS Neuropsychology**
Format: Lecture

- Place: Part of a two-day MS Symposium organized for a group of neurologists from Italy. Ottawa
- November 2001 **Traumatic Brain Injury and Neuropsychology**
 Format: Lecture
 Place: Lecture delivered to the Trauma Unit personnel of the Ottawa Hospital, Ottawa
- November 2001 **Neuropsychology and Brain Tumors**
 Format: Lecture
 Place: Delivered to an Ottawa support group of the Brain Tumor Foundation of Canada. Ottawa
- October 2001 **Impaired insight in traumatically brain-injured adults: Comparisons between self-reports, relatives' ratings and neuropsychological variables**
 Format: Poster presentation
 Place: Annual meeting of the Society for Psychologists in Quebec, Chicoutimi, Quebec.
- March 2001 **MS Neuropsychology**
 Format: Lecture
 Place: Part of a two-day MS Symposium organized for a group of neurologists from Italy. Ottawa
- February 2001 **MS Neuropsychology**
 Format: Lecture
 Place: Part of a two-day MS Symposium organized for a group of neurologists from Germany. Ottawa
- January 2001 ***Memory and Language: The Neuroanatomical Substrates***
 Format: Lectures
 Place: Part of the Nervous System Block lecture of the University of Ottawa (School of Medicine), Ottawa.
- November 2000 ***MS Neuropsychology***
 Format: Lecture
 Place: Part of a four-day MS Symposium organized for a group of neurologists from Canada. Ottawa Hospital, General Campus, Ottawa, Ontario.
- October 2000 ***Neuropsychology and Multiple Sclerosis***
 Format: Lecture

- Place: Part of a four-day MS Symposium organized for a group of neurologists from Italy. Ottawa Hospital, General Campus, Ottawa, Ontario.
- October 2000 ***Memory: Its Neuroanatomical Substrates***
 Format: Lecture
 Place: Neurology Residency Program; Ottawa Hospital
- September 2000 ***Traumatic Brain Injury and Neuropathological changes***
 Format: Lecture
 Place: City-wide Neuropsychology Seminars, Ottawa.
- May 2000 ***Coping with Changes following a Traumatic Brain Injury***
 Format: Lecture
 Place: Invited address for the Head Injury Association of Ottawa-Carleton, Ottawa.
- April 2000 ***Neuropsychology and Multiple Sclerosis***
 Format: Lecture
 Place: Part of a four-day MS Symposium organized for a group of neurologists from Italy. Ottawa Hospital, General Campus, Ottawa, Ontario.
- April 2000 ***Traumatic Brain Injury: Neuropathological Changes***
 Format: Lecture
 Place: City-wide Neuropsychology Seminars, Ottawa.
- March 2000 ***Capacity Issue and Neuropsychology***
 Format: Lecture
 Place: Lecture to the Neurogenic Study Group of the Speech and Language Pathology service, Ottawa Hospital, General Campus, Ottawa.
- January 2000 ***Memory and Language: The Neuroanatomical Substrates***
 Format: Lectures
 Place: Part of the Nervous System Block lecture of the University of Ottawa (School of Medicine), Ottawa.
- January 2000 ***Neuropsychology of Multiple Sclerosis***
 Format: Lecture
 Place: Lecture to a support group of the MS Clinic, Ottawa Hospital, General Campus, Ottawa, Ontario.

- June 1999 ***The Continuum of Brain Injury Services: The Acute Care Perspective***
 Format: Lecture
 Place: Part of a one-day Conference on Rehabilitation in a New Era organized by the Rehabilitation Network of Ottawa-Carleton. Ottawa, Ontario.
- June 1999 ***Cognitive Dysfunction in Multiple Sclerosis***
 Format: Lecture
 Place: Part of a four-day MS Symposium organized for a group of 25 neurologists from Italy. Ottawa Hospital, General Campus, Ottawa, Ontario.
- February 1999 ***Traumatic Brain Injury***
 Format: Lecture
 Place: City-wide Neuropsychology Seminars, Ottawa.
- February 1999 ***The Hooper Visual Organization Test: Modification for Use in Dementia Assessment***
 Format: Accepted Poster
 Place: Tenth annual meeting of the American Neuropsychiatric Association (Joint meeting with the Behavioral Neurology Society), New Orleans, Louisiana
- February 1999 ***Usefulness of the Visual Verbal Test as a measure of executive function in the assessment of dementia***
 Format: Accepted Poster
 Place: Tenth annual meeting of the American Neuropsychiatric Association (Joint meeting with the Behavioral Neurology Society), New Orleans, Louisiana
- July 1998 ***Multiple Sclerosis and Neuropsychology***
 Format: Lecture
 Place: City-wide Neuropsychology Seminars, Ottawa.
- April 1998 ***Alzheimer Disease and Normal Aging***
 Format: Lecture
 Place: Canadian Security Intelligence Service, Ottawa.
- April 1998 ***Cognitive Changes and Personality Correlates of Multiple Sclerosis***
 Format: Lecture

- Place: M.S. Clinic membership, Ottawa Hospital, General Campus, Ottawa, Ontario.
- February 1998 ***Epilepsie et la Neuropsychologie***
 Format: Lecture
 Place: Epilepsie Outaouais; Hull, Québec
- February 1998 ***Traumatic Brain Injury***
 Format: Lecture
 Place: City-wide Neuropsychology Seminars, Ottawa.
- February 1998 ***Mild Traumatic Brain Injury: Its Functional Impact at 9 Months Post-trauma***
 Format: Poster
 Place: Ninth annual meeting of the American Neuropsychiatric Association (Joint meeting with the Behavioral Neurology Society), Honolulu.
- November 1997 ***Memory: Its Neuroanatomical Substrates & Neuropsychological Concepts***
 Format: Lecture
 Place: Neurology Residency Program; Ottawa General Hospital
- October 1997 ***Memory and the Aging Brain***
 Format: Lecture
 Place: Senior Citizens group; Ottawa
- September 1997 ***Memory and Aging***
 Format: Lecture
 Place: Senior Citizens Council of Ottawa-Carleton
- April 1997 ***Memory Problems: Alzheimer Disease versus Normal Aging***
 Format: Lecture
 Place: Senior Citizens group; Ottawa
- May 1996 ***Long-term Sequelae of Traumatic Brain Injury***
 Format: Lecture
 Place: Annual OGH Trauma conference; Ottawa
- April 1996 ***Neuropsychological Testing***
 Format: Lecture
 Place: Ottawa Civic Hospital (medical staff)

- February 1996 ***Multiple Sclerosis***
Format: Seminar
Place: City-wide internship rounds, Ottawa, Ontario.
- December 1995 ***Traumatic Brain Injury***
Format: Two-hour seminar
Place: City-wide internship rounds, Ottawa, Ontario.
- May 1994 ***Les Problèmes de Mémoire chez les Patients Souffrant de la Maladie d'Alzheimer***
Format: Lecture
Place: Club Hélène de Champlain, Ottawa.
- April 1994 ***Epilepsy and Memory***
Format: Lecture
Place: Ottawa-Carleton Epilepsy League, Ottawa.
- March 1994 ***Normal Aging versus Alzheimer Disease: The Neuropsychology of Memory***
Format: Lecture
Place: Alumni Association, University of Ottawa.
- February 1994 ***The Differential Validity of Neuropsychological Measures in the Prediction of Financial Competence among Elderly Subjects with and without Cognitive Impairment***
Format: Poster
Place: 22nd annual meeting of the International Neuropsychological Society, Cincinnati, Ohio.
- February 1994 ***Relationship between Blood Pressure and Neuropsychological Performance in a Cognitively-Intact Elderly Sample***
Format: Poster
Place: 22nd annual meeting of the International Neuropsychological Society, Cincinnati, Ohio.
- February 1994 ***Discharge Dispensation: Implications for Diagnosis of Mild Head Injury***
Format: Poster
Place: 22nd annual meeting of the International Neuropsychological Society, Cincinnati, Ohio.
- February 1994 ***Traumatic Brain Injury and Insight***
Format: Poster

- Place: 22nd annual meeting of the International Neuropsychological Society, Cincinnati, Ohio.
- February 1994 ***Mild Head Injury: A Misnomer***
 Format: Poster
 Place: 22nd annual meeting of the International Neuropsychological Society, Cincinnati, Ohio.
- September 1993 ***Coping versus Noncoping in Multiple Sclerosis: Neuropsychological and Neuroradiological Correlates***
 Format: Poster
 Place: Consortium of Multiple Sclerosis Centers held in Victoria, B.C.
- September 1993 ***Extent of Agreement between Clinical Impressions and Standardized Measurements of Psychosocial Adjustment in Multiple Sclerosis***
 Format: Poster
 Place: Consortium of Multiple Sclerosis Centers held in Victoria, B.C.
- June 1993 ***Implications of Sampling Procedures for the Study of Age-Related Cognitive Change***
 Format: Poster
 Place: 15th annual European conference of the International Neuropsychological Society, Madeira, Portugal.
- June 1993 ***Neuropsychological Correlates of Psychosocial Adjustment in Multiple Sclerosis***
 Format: Poster
 Place: 15th annual European conference of the International Neuropsychological Society, Madeira, Portugal.
- June 1993 ***A Case of Crossed Aphasia?***
 Format: Poster
 Place: 15th annual European conference of the International Neuropsychological Society, Madeira, Portugal.
- June 1993 ***The Hooper Visual Organization Test: A Parietal or Frontal Measure?***
 Format: Poster
 Place: 15th annual European conference of the International Neuropsychological Society, Madeira, Portugal.

- May 1993 ***Frontal Dementia: A Diagnostic Dilemma***
 Format: Poster
 Place: Annual convention of the Canadian Psychological Association, Montreal, Quebec.
- October 1992 ***Traumatic Brain Injury: Psychosocial and Neuropsychological Correlates***
 Format: Lecture
 Place: Ottawa General Hospital Speech Pathology department, Ottawa, Ontario.
- August 1992 ***Mental Status Examination***
 Format: Lecture
 Place: Island Lodge Nursing Home staff, Ottawa, Ontario.
- July 1992 ***Construct Validation of the Modified Visual- Verbal Test, a Measure of Conceptual Flexibility***
 Format: Poster
 Place: Annual European meeting of the International Neuropsychological Society to be held in Durham, England.
- July 1992 ***An Examination of the Construct Validity of the Benton Visual Retention Test***
 Format: Poster
 Place: Annual European meeting of the International Neuropsychological Society to be held in Durham, England.
- May 1992 ***Cognitive Function and Multiple Sclerosis***
 Format: Lecture
 Place: Health Care Professionals Seminar sponsored by the Multiple Sclerosis Society, Queensway-Carleton Hospital, Ottawa, Ontario.
- May 1992 ***Prédire l'Adaptation Psychosociale suite à un Traumatisme Crânien: La Valeur des Données Neuropsychologiques***
 Format: Lecture
 Place: Laboratoire Théophile-Alajouanine, Centre Hospitalier Côtes-des-Neiges, Montréal, Québec.
- April 1992 ***Epilepsie: La Mémoire et l'Apprentissage***
 Format: Lecture
 Place: La Ligue d'Epilepsie de l'Outaouais, Hull, Québec.

- February 1992 ***Demonstrating Changes in Conceptual Flexibility with Age: Modified Use of the Visual-Verbal Test***
Format: Poster
Place: Annual North American meeting of the International Neuropsychological Society, San Diego, California.
- 1992 – present **Traumatic Brain Injury**
Format: Bi-monthly mini lecture
Place: Delivered in the context of the P.A.R.T.Y. program (Prevention Against Alcohol-Related Trauma in Youth), a preventive program aimed at High School groups who spend a day at the Ottawa Hospital each week, Ottawa.
- November 1991 ***Traumatic Brain Injury and Sex Differences***
Format: Poster presentation
Place: Symposium on **Traumatic Brain Injury: Social and Vocational Reintegration** hosted by the Montreal Jewish Rehabilitation Hospital, Sheraton Laval, Laval, Quebec.
- September 1991 ***Psychosocial Adjustment in TBI Patients***
Format: Lecture
Place: Ottawa General Hospital Interdisciplinary Research Rounds, Ottawa General Hospital, Ottawa, Ontario.
- September 1991 ***Review of a Comprehensive Neuropsychological Assessment***
Format: Lecture
Place: Speech Pathology Department, Ottawa General Hospital, Ottawa, Ontario.
- September 1991 ***Administration of the Standardized Mini-Mental State Exam***
Format: Lecture
Place: Geriatric Outreach Team, Ottawa Civic Hospital, Ottawa, Ontario.
- March 1991 ***Multiple Sclerosis and Neuropsychology***
Format: Lecture
Place: The Ottawa-Carleton Chapter of the Multiple Sclerosis Society, Ottawa, Ontario.
- February 1991 ***Predicting the Psychosocial Outcome of Traumatic Brain Injured Adults***

- Format: Poster presentation
Place: Annual North American meeting of the International Neuropsychological Society, San Antonio, Texas.
- January 1991 ***Herpes Simplex Encephalitis and Neuropsychology***
Format: Lecture
Place: Neurology/Neurosurgery Rounds, Ottawa General Hospital, Ottawa, Ontario.
- June 1990 ***Investigation of the Validity and Sensitivity of the Cognitive Screening Examination in the Diagnosis of Dementia***
Format: Poster presentation
Place: Annual convention of the Canadian Psychological Association, Ottawa, Ontario.
- June 1990 ***Psychosocial Adjustment Following Head Injury: a 2 □ Year Follow-up***
Format: Poster presentation
Place: Annual convention of the Canadian Psychological Association, Ottawa, Ontario.
- February 1990 ***The Neuropsychological Profile of a Multiple Sclerosis Patient***
Format: Lecture
Place: Multiple Sclerosis Clinic, Ottawa General Hospital, Ottawa, Ontario
- July 1989 ***Long-term Effects of Severe Penetrating Head Injury on Adjustment Level***
Format: Poster presentation
Place: Annual European meeting of the International Neuropsychological Society, Antwerp, Belgium.
- April 1989 ***Neuropsychology and Multiple Sclerosis***
Format: Lecture
Place: Multiple Sclerosis Clinic, Ottawa General Hospital, Ottawa, Ontario.
- June 1989 ***The Neuropsychological Profile of an Epileptic Patient***
Format: Lecture
Place: Canadian Association of Electrophysiology Technologists' Annual Teaching Seminar, Ottawa, Ontario.

March 1989

La Neuropsychologie et l'Epilepsie

Format: Lecture

Place: La Ligue d'Epilepsie de l'Outaouais, Hull, Québec.

CONTINUING EDUCATION

September 2008

Ministry of the Attorney General Capacity Assessment Office
Training. One-day Training Workshop. Ottawa

June 2008

American Academy of Clinical Neuropsychology's 6th Annual
Conference. Attended half-day workshops on Lyme disease, blast
injuries, cardiovascular disease, and mild traumatic injury. Boston,
Ma.

October 2007

Canadian ADHD Resource Alliance annual conference. Two-day
conference on ADHD. Montreal.

September 2007

Ministry of the Attorney General Capacity Assessment Office
Training. One-day Training Workshop. Ottawa

September 2006

Ministry of the Attorney General Capacity Assessment Office
Training. One-day Training Workshop. Ottawa

February 2006

Annual meeting of the **International Neuropsychological Society**,
Boston, Massachusetts.

September 2005

Ministry of the Attorney General Capacity Assessment Office
Training. One-day Training Workshop. Ottawa

February 2004

Annual meeting of the **International Neuropsychological Society**,
Baltimore, Maryland.

September 2003

Ministry of the Attorney General Capacity Assessment Office
Training. One-day Workshop. Ottawa

February 2003

Annual meeting of the **International Neuropsychological Society**,
Honolulu, Hawaii.

February 2002

Annual meeting of the **International Neuropsychological Society**,
Toronto, Ontario.

September 2001 Ministry of the Attorney General Capacity Assessment Office Training. One-day Training Workshop. Ottawa

March 2001 Two-day conference on **Dementia**, Rotman Research Institute, Toronto, Ontario.

February 2001 Annual meeting of the **International Neuropsychological Society**, Chicago, Illinois.

February 2000 Annual meeting of the **International Neuropsychological Society**, Denver, Colorado.

October 1999 Ministry of the Attorney General Capacity Assessment Office Training. One-day Training Workshop. Ottawa.

March 1999 Two-day conference on **Traumatic Brain Injury**, Rotman Research Institute, Toronto, Ontario.

February 1999 Annual meeting of the **American Neuropsychiatric Association** (Joint meeting with the **Behavioral Neurology Society**), New Orleans, Louisiana.

March 1998 Two-day conference on **Cognition and Aging**, Rotman Research Institute, Toronto, Ontario.

February 1998 Annual meeting of the **International Neuropsychological Society**, Honolulu, Hawaii.

February 1998 Annual meeting of the **American Neuropsychiatric Association** (Joint meeting with the **Behavioral Neurology Society**), Honolulu, Hawaii.

March 1997 Two-day conference on **Memory**, Rotman Research Institute, Toronto, Ontario.

February 1997 Annual meeting of the **International Neuropsychological Society**, Orlando, Florida.

February 1997 Annual meeting of the **American Neuropsychiatric Association** (Joint meeting with the **Behavioral Neurology Society**), Orlando, Florida.

- March 1996 Two-day conference on **Functional Imaging**, Rotman Research Institute, Toronto, Ontario.
- February 1996 Annual convention of the **Ontario Psychological Association**, Toronto, Ontario.
- November 1995 Annual meeting of the **National Academy of Neuropsychology**, San Francisco, California.
- July 1994 Two-day conference on **Subcortical Disease in Neuropsychiatry**. Sixth annual meeting of the American Neuropsychiatric Association, Newport, R.I.
- March 1994 Two-day conference on **The Dementias: Diagnosis and Implications for Management**, Rotman Research Institute, Toronto, Ontario.
- February 1994 **International Neuropsychological Society** annual meeting, Cincinnati, Ohio.
- September 1993 Consortium of Multiple Sclerosis Centers, Victoria, B.C.
- June 1993 **International Neuropsychological Society** European annual meeting, Madeira, Portugal.
- March 1993 Two-day conference on **Memory in Normal Aging and Dementia**, Rotman Research Institute, Toronto, Ontario.
- October 1992 One-day workshop given by Dr. Edith Kaplan on the **WAIS-R-NI**, Ottawa, Ontario.
- July 1992 **International Neuropsychological Society** European Annual Meeting, Durham, England.
- May 1992 **Multiple Sclerosis Update: A Multidisciplinary Approach For Health Care Professionals** sponsored by the Ottawa-Carleton Chapter of the Multiple Sclerosis Society, Queensway-Carleton Hospital, Ottawa, Ontario.
- April 1992 **Behaviour Rehabilitation Workshop**, Royal Ottawa Hospital, Ottawa, Ontario.

- February 1992 **International Neuropsychological Society** Annual North American Meeting, San Diego, California.
- November 1991 Two-day conference on **Traumatic Brain Injury: Social and Vocational Reintegration**, Jewish Rehabilitation Hospital, Laval, Quebec.
- March 1991 Three-day workshop on the **Frontal Lobes**, Baycrest Research Center, Toronto, Ontario.
- February 1991 **International Neuropsychological Society** North American Annual Meeting, San Antonio, Texas.
- October 1990 Two-day workshop on the **Clinical Applications of the MMPI-2**, Dr. James N. Butcher, Ottawa General Hospital, Ottawa, Ontario.
- June 1990 **Canadian Psychological Association** Annual meeting, Ottawa, Ontario.
- March 1990 A one-day symposium on **Office Neurology for the 1990s**, Ottawa General Hospital, Ottawa, Ontario.
- May 1989 A one-day workshop on the **Cognitive Rehabilitation of the Brain-Injured Client**, Dr. C.A. Mateer, London, Ontario.
- February 1989 **International Neuropsychological Society** North American Annual meeting, Orlando, Florida.
- October 1988 A two-day **Behavioural Neurosciences** Symposium, Mount Sinai Hospital, Toronto, Ontario.
- June 1988 **Canadian Psychological Association** Annual meeting, Montreal, Quebec.
- November 1987 One-day symposium on **Chronic Neurological Diseases**, Ottawa, Ontario.
- November 1986 Two-day colloquium on **Human Neuropsychology**, Hopital Louis Hippolyte Lafontaine, Montreal, Quebec.
- October 1986 A two-day **Behavioural Neurosciences** Symposium, Mount Sinai Hospital, Toronto, Ontario.

RESEARCH INTERESTS/ACTIVITIES

- Psychosocial & neuropsychological functioning of traumatic brain injury patients
- Mild brain injury
- Assessment of dementia
- Impact of cerebral microembolism on postoperative cognitive function in adults (Giachino, A., Rodriguez, R., Miller, D., Tellier, A., Turek, M.A., Wherrett, C., O'Rourke, K., Grabowski, J., & Rody, K.
Prospective Study of Mild Traumatic Brain Injury. Funded for 2001-2003 in the amount of \$142,404.00 by the Ontario Neurotrauma Foundation (S. Marshall et al.)
- Past co-participant in the Canadian Study of Health and Aging (Phases I, II, and III)

ASSOCIATIONS

- Member of the **College of Psychologists of Ontario**
- Member of the **International Neuropsychological Society**
- Member of the **National Academy of Neuropsychology**
- Member of the **Canadian Psychological Association**
